# News Release

## Fuller Fire

**Fire Information: 844-684-5411**  
**Recorded Fire Information: 928-638-7688**

### **Heavy rains, flooding hit Fuller Fire area** **Thursday, August 4, 2016**

**Fire:** Fuller Fire  
**Acres:** 14,541  
**Cause:** Lightning  
**Total Personnel:** 131

**Completion:** 42%  
**Start Date:** June 29, 2016  
**Location:** Point Imperial, N. Rim Grand Canyon NP  
**Fuels/Topography:** Timber, grass, rugged terrain

Parts of the Fuller Fire received as much as 1.25" of rain Wednesday bringing flooding to some parts of the burned area. Fire personnel continued to build fuel breaks along forest roads 219, 610 and 611 and clean up areas that were impacted by the rains.

More heavy rain is expected today which will continue to keep fire activity to a minimum but also carries the potential for more flooding. Visitors are asked to use caution while driving in the rain and be mindful of fire equipment on the roads. Fuels mitigation and road clean up will continue today.

A new closure order is in place for the Kaibab National Forest. The boundary of this area closure starts east of Highway 67 at the junction of FR 610 and FR 611, heading northeast where the junction of FR611 and the North Canyon Trail intersect, continuing on the North Canyon Trail to the Trailhead on FR 631, then south on FR 631 to the junction with FR 445A, then northeast along FR 445A to the junction with FR 8910, then southeast along FR8910 to the Forest boundary with Grand Canyon National Park and following this boundary south and west to FR 610 "This Order only affects National Forest System Lands."
