Midgley Bridge parking area and trailhead to be temporarily closed

Sedona, Ariz., Oct. 13, 2017, For Immediate Release — The parking area and trailhead next to Midgley Bridge will be temporarily closed Oct. 16 (Monday) and Oct. 23 (Monday) for infrastructure improvements and public safety.

The parking area is a very popular site and heavily used by visitors and recreationists. Closing the parking area and trailhead temporarily will ensure Forest Service work crews will be able to safely work on site with tools and equipment, and that the public will be kept safe from the dangers of an active work site.

For more information on this or any other recreation project in the Red Rock Ranger District, please call Recreation Technician Mike Suggs at (928) 203-7532.
