Date Extension for Road Closure on a Portion of FSR 420 on Flagstaff Ranger District

Flagstaff, AZ – Beginning Monday, April 14th until Friday, April 25th (previously scheduled to end Friday, April 18th), a portion of FSR 420 (Schultz Pass Road), from the gate where the pavement ends near Hwy 180 to the gate near Schultz Tank, will be temporarily closed for maintenance work. Four dump trucks and a grader will be hauling material over the entire section of the road. This construction will improve public transportation and safety for future use. The delay is due to some resources diverted last week for work on the Fisher Fire.

For more information regarding this temporary road closure please contact the Flagstaff Ranger Station at (928) 526-0866.
