Wildfire start in Sycamore Canyon Wilderness

SEDONA, Ariz., May 28, 2018, For Immediate Release – Coconino National Forest

firefighters are responding to a 40-acre wildfire approximately 9 miles northwest of Sedona growing in Sycamore Canyon Wilderness.

The human-caused Sycamore Fire was reported at about 10:20 a.m. today near Taylor Cabin Trail and is producing smoke that will be noticeable to those in the immediate area, burning primarily in pinyon juniper in the wilderness area.

Firefighting resources include four helicopters, five crews, and three engines—totaling approximately 100 personnel.

No structures are immediately threatened at this time and the wildfire is moving in the northeast direction. More information will be provided about this wildfire as it becomes available.
