News Release

Fuller Fire

Fire Information: 844-684-5411
Recorded Fire Information: 928-638-7688

Fire Crews continue to clean up debris in Fuller Fire area **Friday, August 5, 2016**

Fire: Fuller Fire
Acres: 14,541
Cause: Lightning
Total Personnel: 121

Completion: 42%
Start Date: June 29, 2016
Location: Point Imperial, N. Rim Grand Canyon NP
Fuels/Topography: Timber, grass, rugged terrain

Parts of the Fuller Fire received as much as 4 inches of rain throughout the week with minimal fire behavior because of heavy rains. Crews worked to clean flood debris from the roads leading to Cape Royal and Point Imperial Thursday morning and will continue to do so today.

Fire personnel also continue to build fuel breaks along forest roads 219, 610 and 611. Visitors are asked to use caution while driving in the rain and be mindful of fire equipment on the roads. Fuels mitigation and road cleanup will continue today.

There is a closure order in place for the Kaibab National Forest. The boundary of this area closure starts east of Highway 67 at the junction of FR 610 and FR 611, heading northeast where the junction of FR611 and the North Canyon Trail intersect, continuing on the North Canyon Trail to the Trailhead on FR 631, then south on FR 631 to the junction with FR 445A, then northeast along FR 445A to the junction with FR 8910, then southeast along FR8910 to the Forest boundary with Grand Canyon National Park and following this boundary south and west to FR 610 "This Order only affects National Forest System Lands."
